

Communications Performance Covert

:syllabus of this class is with the Quantum-Language.

For the class of the Quantum-Language is with the correctness by the correct-sentence-structure.

~1 For the Student's-Knowledge of the Quantum Language Class is with the duration of the ~9 weeks with the performance-efficiency of the comprehension and with the scription-capability per the range of the ~12th through the ~20th grade-level with the correct-sentence-structure-communication-parse-syntax-grammar by the Student. (The student will learn to read and write between the range of the 12th to a 20th grade level)

~2 For the Teacher's-Knowledge of the ~9 weeks duration of the class of the Quantum Language is with the avoidance of the voluminous-surplusage of the grammar and with the punctuation rules for the contemplation of the compression of the language with the conciseness for the high-rank of the learn-performance of the Student with the testimony by the Teacher.

~3 For the Teacher's-Knowledge of the Quantum Language is with the power for the correction of the condition-negativity of a state of the textual-schematic of the scription with the wrong-parse-syntax-grammar of the english-text with the testimony by the Teacher.

~4 For a sample of the correction-power of the Quantum Language is with the visualization of the salvage of the wrong-placement of the syntax-value of an adverb with the start-position of a sentence-structure and with the juxtaposition of the fact, person, place or with a thing per the classification of the wrong-parse-syntax-grammar(The man = adverb[The] modifying a verb[man], The State of... = void parse syntax grammar).

~5 For the wrong-placement of the syntax-value of the adverb with the front-position of the juxtaposition of a fact, person, place or thing is with the claim of the modification of a verb-syntax-value or with the adjective-syntax-value for the avoidance of the correct-sentence-structure.

~6 For the correction of the scribe of a document with the textual-schematic of the prose of the english language with the timeline of the past-tense or with the future-tense is with the status of the current contracts of our lives with the wrong-parse-syntax-grammar with the sentence-structure per the lack of the now-tense-timeline and with the avoidance of a fact.

~7 For the Teacher's-Knowledge of a sample of the correction-power of the Quantum Language is with the vitalization of the people of the community with the cancellation-evisceration of the rampant-illiteracy per the avoidance of the color-modification by the scription with the wrong-parse-syntax-grammar of the adverb-verb, adjective-pronoun, adverb-adjective-pronoun per the condition-negativity of the curriculum of the private-public-school-system of this land.

:venue of the class-room.

~8 For the learn of the lessons of this quantum-class is with the conduit by the virtual-classroom. For the critical-usage of this quantum-class is with the performance through a camera-phone, laptop-camera, desktop-camera. For the formulation of the set-up of the video-conference through a smart-phone, laptop, desktop is with the timeframe with the ~7 minutes by the Student.

:methodology of the parse = :\$200.00.

:methodology of the syntax = :\$400.00.

:methodology of the grammar = :\$200.00.

:knowledge of the scribe of the correct-sentence-structure of the Quantum Language with the law, knowledge of the courts and with the administrative process = :\$200.00.

*For the learn of the class with the knowledge-level of the novice or with the level of the Consul is with the package-cost of the class. For the continuation of the learn of the lessons of the classes of the Quantum-Language are with the cost of the single-price-point. For the Student's-Knowledge of the cost of the class is with the miniscule-fee for the value of the vigation of the power of the contract and with the learn-performance of the comprehension and with the scription of the textual-schematic of the specification of the 12th through the 20th grade-level. For the Teacher's-Knowledge of the private and with the public school curriculum of the study of the comprehension and with the scription of the Student is with the performance of the plateau-generalization of the 2nd grade-level.

:timeframe of the completion with the classes.

~11 For the completion of the Novice-Class is with the timeframe of the ~9-~weeks. For the Novice's-Knowledge of the Quantum Language is with the learn-performance of the parse, syntax, grammar and with the punctuation rules.

~12 For the completion of the Consul-Class is with the timeframe of the ~9-~weeks. For the Consul's-Knowledge of the methodology and with the specification of the parse, syntax, grammar and with the punctuation rules is with the performance for the joinder of the safeguard with the live-life of the Student with the perspective-view of the creation of the correct-contracts, law, court-facilitation and with the ministerial-regulatory-scheme. (The Consul class incorporate quantum into law, the courts and public administrative processes to show the Student the power of Quantum and the benefit in their life.)

:certification.

~13 For the conclusion of the class is with the convey of a Certificate of the Completion of the quantum-class. For the gain of the Student of the Certificate of the Completion of the class is with the pass-grade of the test and with the quiz.
