:syllabus of this class is with the Quantum-Language.

For the class of the Quantum-Language is with the correctness by the correct-sentence-structure.

~1 For the student's-knowledge of the Quantum Language Class is with the duration of the ~9 weeks with the performance-efficiency of the comprehension and with the scription-capability per the range of the ~12th through the ~20th grade-level with the correct-sentence-structure-communication-parse-syntax-grammar by the student. (The student will learn to read and write between the range of the 12th to a 20th grade level)

~2 For the teacher's-knowledge of the ~9 weeks duration of the class of the Quantum Language is with the avoidance of the voluminous-surplusage of the grammar and with the punctuation rules for the contemplation of the compression of the language with the conciseness for the high-rank of the learn-performance of the student with the testimony by the teacher.

~3 For the teacher's-knowledge of the Quantum Language is with the power for the correction of the condition-negativity of a state of the textual-schematic of the scription with the wrong-parse-syntax-grammar of the english-text with the testimony by the teacher.
