

Communications Performance Covert

:syllabus of this class is with the Quantum-Language.

For the class of the Quantum-Language is with the correctness by the correct-sentence-structure.

:primis.

~1 For this class of the Everything-Theorem of the Quantum Language is with the vigation of the power of the contract of the people of our community and with the formulation of the documents with the correct-parse-syntax- grammar with the performance-efficiency of the ~20 through the ~29 grade-level. (The Students of this course learn to read and write at a 20 to a 29 grade-level)

~2 For the study of the Quantum Language is with the high-rank with the juxtaposition of the variant of the plateau of the 2nd grade-level of the fiction-english-language-studies of the private-public-school-system of this land.

~3 For this class of the Quantum-Language is with the correction of the performance of the void-contract or with the condition-negativity of the scription with the people of our community by the cancellation-evisceration of the void-knowledge-illiteracy.

~4 For the construct of the contract or with the scription is with the critical-formulation with the performances of our lives.

~5 For this class of the Quantum-Language is with the capability of the level with the play-field for our children by the legal-loophole and with the vigation of the control of the autonomy of our lives with the power by the contract.

~6 For this Everything-Theorem of the Quantum Language is with the classification of the technology with the capability for the correctness with the change for the people of our community.

~7 For the change of the people of our community with the usage of this Everything-Theorem is with the learn-performance with our children for the change with the timeline of the one-generation.

~8 For our capability of the formulation of a contract is with the comprehensive-contemplation of the physiological-cohabitation of the people of our community.

~9 For the content of the use of the lexicon-negativity of the fiction-english-language is with the condition-negative of a state and with the void of a fact.

~10 For the void of a fact is with the correct-equivalency of a void of a claim = :fiction.

~11 For the void of a claim is with the void-capability of the classification of the fee-simple or with the perlodial[property-ownership].

~12 For the parse of the word: property is with the classification-value of the no-person-contract. [no(pro)-person(per)-contract(ty)] (pro-per-ty)

~13 For the Teacher's-Knowledge of the quantum-class is with the vigation of the power of the contract for the safeguard of our lives and with the vanguard of the perlodial of the people of our community with this testimony by the Teacher.

~14 For the scribe of the fiction-english-language is with the finite-closure of the classification with the fiction-dead-language for the fiction-dead-people of a fiction-dead-world.

~15 For the scribe of the text of the fiction-english-language is with the past or with the future-tense-timeline.

~16 For the scribe of the text of a treaty, trust, constitution, contract with the past-tense or with the future-tense-timeline is with the void-classification by the wrong-sentence-structure.

~17 For the wrong-sentence-structure of a contract or with a document is with the classification of the wrong-parse-syntax-grammar.

~18 For this class of the Quantum Language is with the correction of the fiction-text by the now-tense-timeline and with the correct-parse-syntax-grammar.

~19 For this class of the Quantum-Language is with the visualization-evidence of the contracts of our lives with the fraudulent-modification of the textual-schematic of a contract or with a document.

~20 For this class of the Quantum-Language is with the show of the correction of the wrong-sentence-structure of the people with the joinder of the text with the wrong-parse, syntax, grammar of the contracts or with the documents of their lives.

~21 For the scription of the perpetual-negation of the text of the fiction-english-language is with the formulation of a condition-negative of a state.

~22 For the formulation of a condition-negative of a state is with the voidance of a positive-performance.

~23 For the void of the positive-performance is with the void of the capability of a contract-duty or with the text of a scription.

~24 For the fix of the word: no or with the negation with the location of the front-position or with the back-position of the root of the word is with the wrong-parse, syntax, grammar.

~25 For the perpetual-negation of the sentence-structure of the fiction-dead-english-language is with the loss of the power of the contract-creation.

~26 For this quantum-class is with the vigation of the power of the contract of the live-life of the people of our community.

~27 For the vitalization of the power of the contract is with the comprehension of the beneficial-performance per our volition with the correct-usage of the Everything-Theorem of the Quantum Language.

:learn of the methodology of the parse.

~28 For the learn of the knowledge of the methodology of the parse is with the show of the finite-cognition of the formulation-partition of a word. For the valuation of the methodology of the parse is with the closure of the formulation of the finite-cognition of the partition-elements a word. For the value of the methodology of the parse of a word is with the capability of the show-placement of the condition-negative of a state of the textual-schematic of a contract or with a document. For a condition-negative of a state is with the voidance of the text of a contract. For a condition-negative of the state of a contract is with the void of a fact(void of a noun). For the scription with the voidance of the fact is with the classification of the lie, presumption, assumption, vagueness, fraud, perjury, [ex]tortion, [de]privation.

:learn of the methodology of the syntax.

~29 For the learn of the knowledge with the methodology of the syntax of the formulation of the words of a contract or with a document is with the visualization of the validation of the correct-position of the word with the location of the sentence-structure. For the visualization of the wrong-location of the classification of the partition-element of the speech of the words of a contract is with the visualization of the wrong-sentence-structure with the methodology by the syntax. For the methodology of the syntax of a word of a contract is with the show of the word with the

classification-value and with the validity with the correct-location-placement of the formulation of the sentence structure. For the syntax-methodology of the words of a contract or with a document per the scription of the text of the fiction-english-language is with the wrong-location-placement of the formulation of the words of the sentence structure. For the usage of the syntax is with the learn of the methodology for the voidance of the formulation of the fraudulent-text of a contract or with the document with the scription by the Student.

:learn of the methodology with the grammar by the Quantum-Language.

~30 :learn of the scribe or with the comprehension of the text of the Quantum-Language is for the cancellation of a case or with a controversy by a mathematical-linguistic-certification-method. For the learn of the scription or with the comprehension by the Student per the methodology of the correct-parse-syntax-grammar is with the scribe of the correct-sentence-structure with the range of the ~20-~grade-level through the ~29-~grade-level. For the correct-sentence-structure of the ~29-~grade-level with the scription or with the comprehension by the Student of the Quantum-Language is with the variance of the scription or with the comprehension of a Student of the condition-negative of a second-grade-level per the use of the fiction-english-language.

~31 For the scribe or with the comprehension of a Student of a second-grade-level is with the same-classification-value of the school-level of the scribe or with the comprehension of a Student with a master's-level-certification or with the PHD-Level-Certification with the show of the morbid-text of the condition-negative of a state of the fiction-dead-english-language.

~32 For the power of the Student with the usage of the Quantum Language is with the capability of the finite-valuation of a phenomenon-construct and with the command of the performance of a beneficial-manner.

~33 For the old-world of the scribe with the condition-negative of a state of the fiction-english-text is with the fiction-dead-world of the slaves. For the scribe of the language of the old-world is with the same-classification-value: fiction-dead-world. For the fiction-english-language is with the classification with the fiction-dead-language for the fiction-dead-people (fiction, legal person, legal name, natural person, corporation, address, legal title...). For the dead-world with the condition-negative of a state of the fiction-english-language is with the contamination of the fact or with the void of the positive-law. [It is impossible for you to own property with any valid title, trust or treaty written in this dead language of the negativity of the english language]

~34 For the gamut of the voidance of the capability of the performance of the ownership of the property with a contract or with the scription of the condition-negative of a state is with the fiction-dead-language of the fiction-english. (Thus) For the classification of the dead is with the correctness of the label of the scribe of the fiction-dead-language of a contract, trust, treaty per the condition-negative of a state of the fiction-english-language. (Moreover) For the fiction-dead-people of this dead-textual-world is with the void of the capacity of the ownership of the property. [Since you cannot own property with a contract scribe in the fiction-dead-language of the fiction-english with a name with the acronyms or with the adjective pronoun syntax value, then how should you be classified and identified in law? You can only be classified as a fiction = dead person walking!]

:quantum-value for your monetary-value.

~35 :value of these quantum class is with the capability of a job-contract or revenue-contract with the ~C.-~P.-~C.(Quantum-Teacher, Quantum-Tutor, and Quantum-Specialist...). (Apart from CPC, these quantum classes also prepare the Student with the skillset to apply for a Contract

Specialist and an entry-level Technical Writer jobs based on the corporate hiring vacancies of such corporation job description).

~36 :learn of the knowledge of the void of a court-document with the scribe of the fiction-text, lies, perjury, fraud, tortion, privation, false-claim or with the falsification of the public-document is with the show with the racketeer by the foreign-federal-law-personnel.

~37 :learn of the scribe of the document or with a complaint of a court is with the mythology by the Quantum-Language.

~38 :learn of the correct-scribe of a document with the autograph, dwell-location, city, state, correct-date is with the mythology by the Quantum-Language.

~39 :learn of the scribe of the correct-sentence-structure of a document or with the contract is with the mythology by the Quantum-Language.

~40 :learn of the strategy for the cancellation of a civil-case or with the void of a criminal-prosecution of the fiction-court-document with the content of the scribe of the fiction-dead-english-language of the State or with the federal-law-personnel is with the mythology by the Quantum-Language. (**criminal correction**)

~41 :learn of the value of the skill of the method of the valuation and cancel of the text of a contract is with the mythology by the Quantum-Language. (includes mortgage contract in a foreclosure, personal contract, corporate contract, etc.)

~42 :learn of the method with the stop of a case or :controversy by the legal-fiction is with the mythology by the Quantum-Language. [name = na + me = no + me]

~43 :criminal-correction of a vassalee is with the mythology by the Quantum-Language.

~44 :class of the Quantum-Language is with the lesson of the valuation of the cancellation-evisceration of a lawyer's-fraud-claim with the formulation of the document with the wrong-sentence-structure.

~45 :lawyer's-volition of the methodology of the modification of the text is with the show of the scheme of the fraudulent-conveyance of the language.

~46 :learn of the valuation of the voidance or with the cancel of the ailing-contract, court-judgement, court-order, document of the office of the Attorney-General or with the fluency of the lawyer with the scribe of the fiction-dead-language of the fiction-english-text is with the mythology by the Quantum-Language.

~47 :learn of the stop of the fraud with the commerce-tickets for the non-privilege-transportation is with the mythology by the Quantum-Language. (commerce-tickets = traffic-tickets)

~48 :learn of the stop and cancel of the fraud-tax-claim by the government is with the mythology by the Quantum-Language.

~49 :learn of the stop and with the cancel of a foreclosure-court-claim is with the mythology by the Quantum-Language.

~50 For the show of the valuation or with the validation of the comprehension of the fraud or with the perjury of the fraud-text of a police-traffic-document is with the mythology by the Quantum-Language.

~51 :learn of the methodology of the termination of a civil-controversy or with the criminal-case is with the power by the Quantum-Language.

:value of the knowledge of the Quantum-Language.

~52 For the Quantum-Language is with the value of the change of the Student's-Life. For the Quantum-Language is with the shift of the consciousness by the fact. For the people of our community are with the novel-view of the facts with the condition by the fiction. For the people are with the port of the lies or with the fabrication by the fiction-text of the condition-negative of

a state of the fiction-english-language. For the consciousness of the mind with the fiction is with the fabrication of the caption of the mind and with the birth of the fiction-woman or with the fiction-man = :dead-man-walk per the intelligence-artificial-insemination of the false-memory. For the cerebral-view of the fiction is with the condition of the ailing-vision by the void of the fact. For the void of the positive-law or with the void of a fact is with the ailing-classification of the start of the fiction-english-language. For this class of the Quantum-Language is with the clarity of the vision of the fact. For the find of the fact and with the positive-law are with the power of the cancellation-evisceration of the ailing-forces of our community. [Power is the ability to define phenomenon and make it act in a desired manner. -Huey P. Newton].

~53 For the value of the quantum-class is with the quiet-revolution for the thwart of the quiet-war of the fiction with the variance of the fact. For these quantum-classes are with the construction of the new-world per the cap of the ceiling of the old-world. For the old-world of the fiction-english-language is with the fiction-dead-people with the acronym-name or with the adjective-pronoun-name.

~54 For the parse of the word: name is with the salvage of the voidance = :word: name is with the two-words of the na and with the me = :name. For the parse of the word: na is with the classification-value: no = :negation = :cancelation-evisceration. For the parse of the word: me is with the classification-value :self-knowledge/:knowledge of the self. :dead-word: name is with the parse: no-self-knowledge/:void of the knowledge of the self. For this salvage of the word: name is with the creation of a vital-question.

~55 Is for the comprehension of the salvage of the word name with the word: yeme?

[What is your name.]

[*What is your name?] [*No living man or woman on this planet can answer this question and it will be proven in this class.]

:venue of the class-room.

~56 For the learn of the lessons of this quantum-class is with the conduit by the virtual-classroom. For the critical-usage of this quantum-class is with the camera-phone, laptop-camera, desktop-camera. For the critical-usage of the Student is with the ternet-virtual portal of the computers of the smart-phone, laptop, desktop. For the formulation of the set-up of the video-conference is with the timeframe with the ~7 minutes by the Student.

:tuition.

:cost of the classes.

~57 :~1 Novice.

:cost of the class of the knowledge-level of the novice is with the \$500.00.

:cost by the single-price-point.

:methodology of the parse = :\$100.00.

:methodology of the syntax = :\$200.00.

:methodology of the punctuation and with the grammar = :\$100.00.

For the continuation of the learn of the lessons of the classes of the Quantum-Language are with the cost of the single-price-point. For the cost of the class is with the miniscule-measure per the contrast of the vigoration of the power of the contract = :freedom.

:timeframe of the completion with the classes.

~59 For the timeframe with the capability of the Student with the contemplation of the lessons of the classes is with the ~1-~&-~2-~parts. For the Novice's-Knowledge of the comprehensive-view is with the parse, syntax and with the grammar of the ~1-~part of the lessons. For the Consul's-Knowledge of the methodology and with the specification of the performance of the parse, syntax and with the grammar for the joinder of the safeguard with the live-life of the Student are with the ~1-~&-~2-~parts of the lessons of the classes.

~60 For the completion of the class of the Consul is with the timeframe of the ~9-~weeks. For the basis of the correct-think-performance of the Student with the less of the time for the completion of the class is with the volition by the Student.

:certification.

~61 For the conclusion of the class is with the convey of a Certificate of the Completion of the Quantum-Class. For the gain of the Student of the Certificate of the Completion of the class is with the pass-grade of the test and with the quiz.

:class-schedule.
